

IHS 2025 SUMMER RESEARCH *Symposium*

July 30th, 2025 | 8:30AM CDT
**Sam Houston State University -
The Woodlands Center**
The Woodlands, TX 77384
\$50 Registration Fee

Join us for the **IHS 2025 Summer Research Symposium**, a one-day event focused on advancing the future of Critical Infrastructure Protection (CIP).

Why Attend?

- Gain exclusive access to cutting-edge research on **infrastructure security, resilience, and emerging threats.**
- Engage with **nationally recognized experts** and **leading researchers** from across the country.
- Learn about **ongoing and future research initiatives** led by the Institute for Homeland Security at Sam Houston State University.

Event Highlights:

- Morning Briefings - Updates from **Healthcare, Transportation, Energy, and Water/Wastewater** Sectors
- Afternoon Presentations - New **Research** Findings on **Supply Chain Resilience, AI Applications, and Emerging Threats.**
